Mr. George E. Hoffman, Jr.
District Enforcement Officer
Northwest District
Department of Environmental Regulation
160 Government Center
Pensacola, FL 32501-5794

Dear Mr. Hoffman:

I would like to confirm that the Consent Order on the disposal of aircraft batteries at NAS Whiting Field, Florida, that you referenced in your February 27, 1985 correspondence, has been signed by the activity and submitted to your office.

The assistance provided by your office in negotiating an acceptable document to both parties was appreciated. The long time required to consummate the Consent Order is regrettable; however, you can see by the report submitted with the Consent Order that we are progressing with the cleanup of the site as discussed in our meetings.

Representatives of the business with representative
as stated in the report indicate that Sincerely,
the actual type of chemicals involved in the
of this office advised that they were a potential for review by the
Department of Environmental Regulation with D. R. SPELTZ, P.E.
to be completed. To be: Head, Environmental Branch

F. Geraghty and Miller
that the monitoring
excessive in view of
#1478. Mr. Geraghty
